# MOVE

# EASY

## STORE CLUTTER-FREE

Completely dismantled in 15 minutes, the size of the boat is reduced to 500 cm x 62 cm, so it can be stored anywhere.

## EASY TO TRANSPORT

You can transport it behind your electric bike or on a road trailer.

## ASSEMBLED IN ONLY 15 MINUTES!

Fit the frame, rotate the mast, lock it in place and your boat is ready to go.

## EASY LAUNCHING

Two removable wheels to store behind the seat and hard-wearing hulls to dock on the beach.

# SHARE

# SAFE

## PILOT WITH THE JOYSTICK

To steer the boat, you simply incline the joystick to the side you want to turn.

## NAVIGATE COMFORTABLY

The ergonomic IZIBoat® seat welcomes you, your family or friends, up to 4 people.

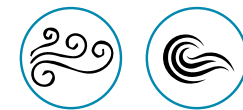

## STABLE ABOVE ALL

Thanks to IZIBoat® technology, the unique shape of the hulls and rig stabilises your boat, you sail flat.

## PERFORMANCE AND SAFETY

IZIBoat® also means you can sail at speeds of up to 15 knots and surf the waves.
