MOVE

EASY

STORE CLUTTER-FREE

Completely dismantled in 15 minutes, the size of the boat is reduced to 500 cm x 62 cm, so it can be stored anywhere.

EASY TO TRANSPORT

You can transport it behind your electric bike or on a road trailer.

ASSEMBLED IN ONLY 15 MINUTES!

Fit the frame, rotate the mast, lock it in place and your boat is ready to go.

EASY LAUNCHING

Two removable wheels to store behind the seat and hard-wearing hulls to dock on the beach.

SHARE

SAFE

PILOT WITH THE JOYSTICK

To steer the boat, you simply incline the joystick to the side you want to turn.

NAVIGATE COMFORTABLY

The ergonomic IZIBoat® seat welcomes you, your family or friends, up to 4 people.

STABLE ABOVE ALL

Thanks to IZIBoat® technology, the unique shape of the hulls and rig stabilises your boat, you sail flat.

PERFORMANCE AND SAFETY

IZIBoat® also means you can sail at speeds of up to 15 knots and surf the waves.
